

# More Meaningful Giving

Raise money for the charities that matter to you and build customer loyalty — simply, quickly, and for free. GiveWorx will set up, secure, and manage everything so you can make a greater impact.

## HOW IT WORKS.

GiveWorx is a plug-and-play charitable giving solution built by fintech experts to help merchants generate goodwill and encourage repeat business.

### PICK

A GiveWorx partner charity or one that's close to your heart.

### INSTALL

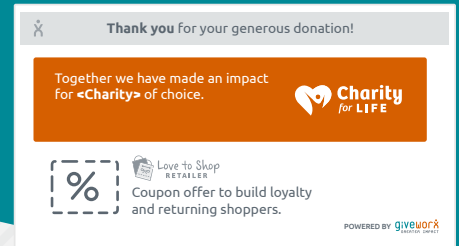

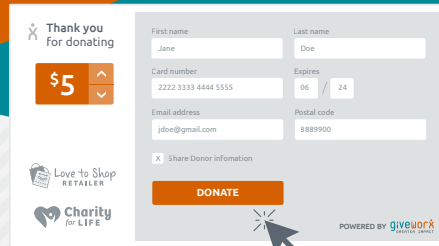

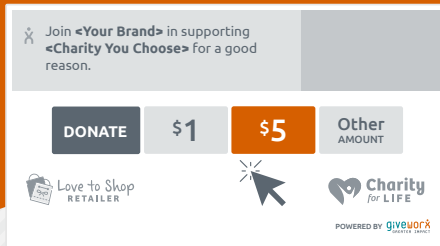

GiveWorx via ecommerce, Shopify, mobile app, financial platform, or QR code.

### CELEBRATE

How simple it is to drive new and repeat business.

## THREE WINDOWS, TWO CLICKS.

### 01: ASK

Customize the branding and donation amounts for the charity you choose.

### 02: GIVE

Payment information loads so your customer can donate with a single click.

### 03: THANK

Recognize the donation with a message and a coupon for a future purchase.

## DO GOOD. SELL MORE.

### FREE

All upside, no cost. The GiveWorx platform is completely free to install and operate.

### SECURE

Industry-leading security measures like PCI-DSS compliance protect customer information.

### SIMPLE

GiveWorx is designed for ease with plug-and-play technology and an intuitive interface.

### OMNICHANNEL

Works whether your customers access your buying platform from web, mobile, or QR code interface.

### ATTENTIVE

We'll manage every step from installing the software to fielding customer service calls.

### STICKY

Increase brand loyalty and return business by building goodwill and offering coupons.

### FLEXIBLE

Choose your charity or charities and raise funds continuously or as a promotion.

### DIRECT

Donations go straight to the charity with no commingling of funds or administrative burdens.
